VETERANS REPRESENTATIVE DVOP

Leavenworth, KS
12386651

This position is responsible for fulfilling the JVSG duties under the Wagner-Peyser Act. This position specializes in customer's professional growth by implementing and monitoring a targeted employment plan. In addition, this position assists customers with available resources and programs specific to their needs. Daily environment includes continuous contact with the public and requires a valid driver's license or ability to travel as needed to conduct outreach and case management with veterans. This position is located on Fort Leavenworth and Leavenworth Workforce Center.

Job Responsibilities may include:

Deliver comprehensive case management to veterans with significant barriers to employment. Maintain comprehensive documentation. Conduct outreach to locate veterans who could benefit from individualized career services and market those services to potential customers at location including homeless shelters and other service providers. Connect veterans to community resources. Collaborate with workforce and veteran services partners in an integrated service delivery model to assist veterans with career guidance including resumes, interviewing skills, labor market information and job retention skills.
