Home Repair & Accessibility Project Manager **Kansas City Area**

Pay Range: \$55,000-\$60,000

HopeBUILDERS is seeking a skilled Home Repair & Accessibility Project Manager to oversee home repair and modification projects that help older adults and people with disabilities live safely and independently.

What You'll Do:

- Lead planning, coordination, and delivery of home repair and accessibility projects.
- Supervise project staff, contractors, and volunteers.
- Conduct home assessments, develop budgets and timelines, and ensure safety and quality standards.
- Communicate directly with clients and maintain detailed project documentation for funders.

What We're Looking For:

- 4+ years of construction or home repair project management experience.
- Strong budgeting, scheduling, and documentation skills.
- Knowledge of ADA/home accessibility standards and home safety.
- Excellent communication and leadership skills.
- Valid driver's license and ability to travel throughout the KC metro.

Preferred: HUD program experience, OSHA or contractor certifications, nonprofit background.

To apply, email your resume and cover letter (include "Project Manager" in the subject line) to jill@hopebuilders-kc.org

Help make homes safer and more accessible for those who need it most!
