Work Equipment Mechanic Shop

13478207 Osawatomie, Kansas

- Pay Rate: **\$39.69/hourly**

Maintain, inspect, and repair tools, machinery, and heavy work equipment supporting Union Pacific's Engineering and Maintenance-of-Way operations. This role is critical to ensuring safe, reliable rail service.

Key Responsibilities

- Perform preventive maintenance and repairs on mechanical and electrical equipment.
- Inspect, diagnose, and troubleshoot equipment using schematics and precision tools.
- Support heavy equipment repairs in collaboration with machinists and team members.
- Maintain accurate maintenance records and manage shop safety supply inventory.
- Follow all safety protocols, railroad regulations, and FRA requirements.
- Build effective working relationships and perform additional duties as assigned.

Required Qualifications

- Must be at least 21 years old with a valid driver's license and acceptable driving record.
- Minimum of 4 years' experience as a diesel, automotive, or heavy equipment mechanic or Journeyman Mechanic certification.
- Ability to read electrical schematics and technical prints.
- Strong mechanical aptitude, math skills, and basic computer proficiency.
- Effective verbal and written communication skills.
- Ability to meet FMCSA medical requirements and obtain a CDL; (CDL Class A or ability to obtain).
