

HOT JOBS

Warehouse Equipment Operator

Wage Increase for Kansas City, KS (FOEI)!

Amazon has raised wages across our warehouses, and Kansas City, KS is included! Here's the breakdown:

- Entry-level pay is now \$21.00 - \$23.00/hour (up from \$20.00!), depending on schedule selected
- Effective as of September 27th for all entry-level associates both new and existing

\$1,000 Sign-On Bonus!

- On top of the wage increase, we're offering a \$1,000 sign-on bonus for all job seekers who start by October 17th. This is a great opportunity for candidates to earn extra money heading into the holiday season! Plus, benefits start on Day 1 — including health care, 401(k), and paid time off.

Low Barriers to Entry — Everyone Is Welcome!

As a reminder, these roles are designed to be accessible to as many job seekers as possible:

- No resume required
- No interview required
- No High School Diploma or GED required
- Amazon is a proud Second Chance employer, welcoming candidates with prior justice involvement

You'll be part of the Amazon warehouse team as an equipment operator - operating order pickers, reach trucks, forklifts, and other powered industrial trucks (PIT) to handle customer orders safely and efficiently. You'll use PIT equipment to unload and load trailers, store pallets, and retrieve pallets throughout the warehouse. No prior experience required—Amazon provides all PIT training and certification for free.

**9400 Leavenworth Rd,
Kansas City, KS 66109**

Amazon is proud to be an equal opportunity employer.

HOT JOBS

Compliance Specialist I or II

Leavenworth, Kansas

Pay Rate:

\$43,000 to \$49,500 Compliance Specialist I

\$49,000 to \$58,000 Compliance Specialist II

What we are looking for:

The Compliance Specialist I/II prepares, submits, and coordinates the internal implementation of rate, form and rule filings for all AFI lines nationwide, ensuring compliance with state regulatory requirements. This position is the entry-level position in the Compliance Specialist Career Path.

Core Functions:

- Prepares fully documented submissions of rate, form, and rule filings to regulatory agencies and bureaus
- Monitors changes to state insurance regulations and provides notification of regulated rate, rule, or form changes to department processors for distribution to impacted AFI departments. Coordinates implementation schedules to maintain regulatory compliance

Requirements:

- Excellent verbal communications skills
- Excellent written communications skills, to include the ability to produce well-documented recommendations for approval by AFI management and consideration by insurance regulators
- Working knowledge of MS Outlook
- Detailed knowledge of MS Word and Excel
- Keyboard skills of at least 30wpm
- Ability to perform basic math functions to include calculation of percentages and ratios

Armed Forces Insurance

Since 1887, Armed Forces Insurance (AFI) has existed with a single, unwavering purpose: To protect the people who protect our nation. For more than 130 years, we've provided home insurance, renter insurance and auto insurance and much more to our members. We proudly serve active, retired and former military personnel, their families and civilian Department of Defense employees.
